What's New In AutoCAD?

3D Warehouse: Discover and interact with the CAD standards shared by nearly every manufacturer on the planet. Use CAD standards as a way to bring 3D models into AutoCAD and get immediate feedback on CAD interoperability. (video: 7:45 min.) View CAD Models in Adobe Sketchbook Pro: Easily view and annotate CAD models in Adobe Sketchbook Pro. Sketchbook Pro lets you view, annotate, and share all your project documents with a native web browser. (video: 1:36 min.) N-Up and Ortho modes: Continuous hinge with N-Up, and now even N-Up and O-Up on a single keyboard shortcut. (video: 1:14 min.) Add a named title to a group: Add a named title to a group of objects in your drawing. (video: 1:29 min.) A new set of tools lets you create an icon based on another model, such as an icon that is based on a profile you saved. (video: 1:07 min.) More enhancements to desktop display layout: There are new options for the AutoCAD Display & Work Area, such as forcing a display size at the start of a session, using a two-pane display, placing the drawing area near the screen's center, and more. (video: 1:16 min.) Enhancements to CAD standards: AutoCAD 2023 builds on CAD standards introduced in AutoCAD 2017, so you can import and edit CAD models with AutoCAD 2020 or earlier. AutoCAD 2013 and earlier supports importing from the following standards: AEC-2005 ASSC-2018 CATIA-V5 CATIA-V6 CATIA-V7 CATIA-V8 CATIA-V9 DSTAN-2005 EDA-2018 EDA-SFC EPSF-2018 EPS-V1 GDS-2 GDK-V1 GDK-V2 GDK-V3 IGES IGES-V5 IGES-V7 IGES-V8 IGES-V9 IGES-V10 IG

System Requirements For AutoCAD:

Each individual mission, map, or free update will require a dedicated server. Players will require a PC with a graphics card capable of DirectX 11 (DX11) and a compatible video driver to play the game. For optimal performance, the PC must be running at a minimum of Windows 7 64-bit, with an Intel i5-4590 CPU and 6GB or greater of memory. Players will need a stable internet connection, such as a cable or DSL, to download the updates. At a minimum, players will need to
