Droplets of drizzling rain are creating tiny waves in the crystal clean water. Grasses at the pond side are waving gently in the breezes. Green Lotus leaves will not only please your eyes but also help release eye-stresses. Mercury like silver water droplets are gently rolling over the lotus leaves. Happily roaming around in the pond are the cute little fishes some times being curiously examined by butterflies flying restlessly over the surface of the water or the waving grasses. The lotus pond is lively, charming, and beautiful. Last but not least, enjoy the soothing and relaxing background music with calming natural beauty, relieve yourself from work and stress for a while. Don't you want to hear some chirping of birds also with such a stage setting? Lotus Pond Animated Wallpaper Features ● 10+ Colors ● Unparalleled animation ● Fully compatible with 64bit OS ● Works on every device from low end to latest ● Easy to use ● Customize it to your liking ● Free Support ● Free
