20 Years of Dungeon Siege! Dungeon Siege, originally released in 1998, is celebrating 20 years this year. "The incredible effort the team behind Dungeon Siege put into the creation of this game absolutely paid off, and the game has stood the test of time almost better than some other popular franchises," said Dungeon Siege community manager Andrew Hunter. Dungeon Siege was notable for its advanced combat options, systems used by some of the best RPG creators today, such as PvP combat and item enchanting. Dungeon Siege can be downloaded for free through GOG.com, and all of the classic expansion packs are included. Check out GOG.com's interview with the creators of Dungeon Siege: Gaming News Gaming News Jeos Seys YouTube Game Reviews: Dungeons-And-Dragons-Clan-Of-The-Four-Lords-Auric-Dragon-Persona And I am going to start a small series of videos or actually 'ya I don't know. How to explain it to you, for people who know me and some other people who just want to watch a cool gameplay video. So they don't have to watch a long video and they are looking for like a review so they can get their own opinion about the game. So that's pretty much what this video is about, how I got to the game, I played it and I talked about it and I'm sure there's going to be some things wrong with it, but if you can help me with it I'd appreciate it, either with the grammar in the comments down below or... Tell me... Give me your opinion. So yeah, this is a video game that you don't need to play to understand my video. It's basically a combination of the two brands, but it's not a crossover between the two. It's just a video game bff6bb2d33
