Game Scope: Tarnished Princess(TP) Heroine of Magician A unique fantasy action RPG. ■ Character The Heroine is a girl who is overwhelmed with the power of the Elden Ring after magicing into an Elden Lord, and has been transported to the Lands Between by the power of the Elden Ring. As she rises, the tattered grace of the Elden Ring infects her body, granting her potential magical powers which are the same as those of an Elden Lord. Although the Heroine's power is weak, she still has her own willpower, and has a personality that is different from that of the Elden Lord. It is said that the power of the Elden Ring is a gift bestowed by the goddess, which we can only receive once in our lifetime. However, the Heroine was unable to become a Tarnished Lord, and was forced to live a meaningless life. As her heart melts after seeing the other Elden Lords, she is devastated and the black void of despair weighs her down. By not becoming an Elden Lord, she was unable to obtain the ecstasy and power that is the right of a Tarnished Lord. However, a dark legend tells of a time when all the Tarnished Lords will return to the Lands Between to wage war. In other words, the Heroine's struggle may be the factor that holds the fate of all Elden Lords in the Lands Between in balance. ■ System Character Creation The Heroine character can be created freely, provided that you have a character slot open in the character selection screen. The number of class slots, magic slots, and relic slots can be freely changed according to the Heroine's role preference. Development Character Development The Heroine's HP, ATK, and DEF are automatically upgraded by the power of the Elden Ring. During the battle, a set action restriction will be removed, and the Heroine will be able to freely perform actions. Further, the Heroine will be able to acquire class-specific items by passing through the targeted class' route. ■ Actions The Heroine will be able to use the following actions. 1. □Favor□ The Heroine's favor with the goddess increases, and she can use the large weapon of the goddess
