This allows you to use SPSS as an embedded application, running the program from a file without need to install SPSS on your system. Statistics device includes a set of sample programs and will automatically add sample data when used with IBM SPSS Statistics v24.0 or later. These include the SNPTTEST, CHID, BARRET, PREDCOR, and RATIO data generation programs as well as the SCAN.EXE program. 1.2.4 4. Package Manage, Direct Printing, and Installer Package Manage is the
