(WHEN) Sat. Apr 19th, 2018  
(WHERE) Bossier City, LA (MORE  
INFO) Join us this SPRING for the  
36th Annual Spring Meeting! We will  
be hosting the event on April 19th at  
The Beverly Center in Bossier City, LA  
(from 11am - 6pm). Come celebrate the  
culture, food, and FUN! A dose of the

allowed them the opportunity to create mayhem in British politics, obstructing the Brexit process and making it more likely that the United Kingdom will end up crashing out of the EU without a deal. Brexit is a deeply complex issue that has affected so many different things that are important to people, and we need to make sure that the priority is to work to resolve it constructively. In that context, we

foreach (Enumeracion entrada in  
listoPuertas) { listoPuertas.Add(null);  
listoPuertas.Add(new { idPuertas =  
entrada.Id, IdTitular =  
entrada.IdTitular, Nombres =  
entrada.Nombres, mail = entrada.mail,  
email = entrada.email, año =  
entrada.año, texto = entrada.texto,  
metodo = entrada.metodo, Comentario  
= entrada.Comentario}); } I need to get  
this list in another generic list, as I need  
to make a generic list with an other
