If you look at the Windows build numbers, the.exe file that I found is the same version as on the.iso file that I have already downloaded. Questions : Should I stop using the ISO file because this means that I cannot know the correct version that I will get? Does this means that I have to download the ISO file again and find another.exe file? If I use this.exe file and I enter the correct user name and the correct password, will I get the right Windows 10 Enterprise N 2019 Ltsc 1809 Build 17763.107 Esd En-us Nov2018 (x64) Pre-Activated? A: To answer your specific questions about getting the ISO file updated (and just learn the answer), you can get the updated ISO on Windows Media Creation Tool 2019 Update ISO file size is around 9GB With any luck, the ISO file you got will be the same version. Yes, downloading the ISO file again is the only answer as far as I can tell. Citation Nr: 1607814 Decision Date: 03/12/16 Archive Date: 03/24/16 DOCKET NO. 07-02 089) DATE)) On appeal from the Department of Veterans Affairs Regional Office in St. Louis, Missouri THE ISSUE Entitlement to service connection for hemorrhoids. REPRESENTATION Appellant represented by: Veterans of Foreign Wars of the United States ATTORNEY FOR THE BOARD Lisa D. Hagerty, Associate Counsel INTRODUCTION The Veteran served on active duty in the United States Army from January 1972 to December 1974. This matter comes to the Board of Veterans' Appeals (Board) on appeal from a September 2003 rating decision by the Department of Veterans Affairs (VA) Regional Office (RO) in St. Louis, Missouri. This case was previously before the Board in October 2012 when it was referred to the Board for additional development. The Board remanded the claims in October 2012 in accordance with accompanying instructions. FINDING OF FACT There is no competent evidence of hemorrhoids during service or within one year of separation. CONCLUSION OF LAW Hemorrhoids were not incurred in or aggravated by service, nor may they be presumed to have been incurred in service. 38
