Gameplay Tarnished is an action RPG where you play as an unnamed warrior, and develop your character by gathering gear, leveling up, and the like. The game's original concept is to make the traditional action RPG a console-oriented one, and release the game for the PS Vita. Locations The Lands Between is a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. Whether it's waking up at a knight's castle or hunting orcs in an ancient temple, you'll meet people in this vast world, gain strength, and fight enemies while your character and their skills grow with each battle. A New Online System In addition to the online capability that allows you to directly connect with other players, the game supports a unique asynchronous online element that allows you to feel the presence of others. Character Design A skilled tailor, you can make your character look, talk, and act however you want. The customization includes defining the head and features of your character, including an appearance, hair style, face, clothes, and voice, as well as changing the skin and

face colors to create an all-new character. Key Features Character Development The novel concept of a console-oriented RPG. The game promises a long-lasting gameplay experience with the original mind-set of a console RPG. A fantasy action RPG that seamlessly integrates the console and mobile systems. By adopting the features of the PS Vita console and smartphone games, the game enhances the various elements from the middle to upper end of the game. A wide and diverse world. It boasts of a huge world with a variety of different types of land, and the large number of possibilities for upgrading your equipment and strengthening your character. An epic drama born from a myth. The game is a deep story that is centered on a great world. A multilayered story told in fragments. Players get to know about the various natures of the Lands Between and the riddles of their connection with one another through the game. An original online system. You can create your own character and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. A new online system that allows you to feel the presence of others seamlessly. The online system can be used as a casual mode, while the asynchronous online element supports the creation of an exciting and diverse experience. The world of the Lands Between is
