• Rise Online Elden Ring is a free-to-play MMORPG developed by Tencent's Mobile Entertainment department (PTE) and published by Tencent's Online Game department (TT). The game has been released worldwide to Android, iOS, and Windows Phone. Chapter I: The Beginning The war that has been going on for centuries between the kingdoms of man and the elves has been suspended. A plethora of kingdoms and city-states—some even located in remote areas—have allied with each other in order to protect their own populations and territories from the attacks of the elf enemy. With the aid of research and advancements in technology, they have developed new forms of weapons and technology, creating a civilization far exceeding that of the elves. But their efforts have been struck down by a one-man army of enraged sorcerers and wizards who call themselves “Elden.” As the scale of the attack has been growing, the citizens in towns and villages have been being decimated. At the same time, the kingdoms and city-states of man have begun to fall one after another... Chapter II: An Uncivil War Begins... In search of a safe place, a small group of humans and elves flee to the vast, mysterious island of Elenath, which is said to be inhabited by nothing but mutants called "Bionisks." It is at this moment that they realize that the war has not ended, and have begun to cooperate with Elenath's natives, which is also a person who possess great power, the Elden Ring. Chapter III: A New Way of War The Elden Ring is a group of warriors who support one another to fight with magic for the sake of their own goals. However, no matter the reason for the fight, there is only one thing they all have in common—to survive. The Elden Ring is different from other members; they are different in mind, in body, and in spirit. One who succeeds in the arena of battle with the Elden Ring will receive a grace, which is a spirit that guides the fighters. Only those who have the grace can be called an Elden, and only those who become Elden Ones receive a special label, that of a Shield Lord, such that no one who has not
