The Iron Envoy (1995) - IMDbThe Iron Envoy is a 1995 British science fiction film directed by Anthony Hickox and starring John Wood and Robert Lindsay. It is based on the novel of the same name by Roger Machell. Free download dvdrip download dvd-r mpeg-4b with libass. Movie description: "The story is about an American military officer named Stephen Kearny (played by Richard Gere), who is commanding the US military force that is ultimately defeated by a band of Chinese army. What was once a celebration of the nation's victory now ends in a tragedy where several thousand American soldiers are massacred in what is called the "Gorge Massacre." The massacre was in fact very real, and the villains in the movie - the General of the Chinese army played by Jet Li- are actually the real historical figures. The movie gives a controversial argument tha
