**Elden Ring X64**

Set in the Lands Between, the game begins with the protagonist, who has awakened to the reality in the graveyard that he had once believed to be fictional. He learns that he has actually awakened to the lands between the mortal realm and the spirit realm, and that he is a traveler in the fantasy world. During the game, he is joined by an elf named Ziranta, who can understand the protagonist’s thoughts, and a noble named Salthearto who has an affinity with the spirit realm. The protagonist learns the vast story of the lands between and how it came to be in the hands of Lord Iron, but he also learns that his own destiny is tied up with the fate of the world. You can enjoy battles and turn-based battle that adds a tactical combat element to fantasy RPG battles. As you forge friendships with other characters, you can use these connections to pursue different paths in the game. Characters The protagonist. An ordinary young man who awakens in a graveyard. Ziranta. An elf, a mysterious creature, and a candidate for the next leader of the elves. Salthearto. A noble from a rich family who wields a sword as his weapon. Elden Ring. A powerful sword with five shatters, used by a member of an organization called the Elden Ring. The one who wields this sword is called an Elden Lord. Claus. An Elden Lord with a shady past who travels with the protagonist. Lady Baucis. The last of the Elden Ring’s leaders. Mortimer. An elf and Ziranta’s fellow traveler. “LEGEND OF ZIRANTA” The Legend of Ziranta Story — The Elden Ring has sent out scouts to capture Ziranta, an elf with an affinity for the spirit world, to become a member of the organization. However, the elf is looking for his friends, and so he asks the protagonist to accompany him to reunite with them. — In the eternally recurring cycle of destruction and creation, elves and men alike are now engaged in what they call Elden. — Ziranta is about to become the leader of the elves. He hopes that the protagonist can contact his friends, and take them in to unite them. — When Ziranta is captured and killed, the protagonist is left behind in the lands between, where

Let's hope that Rodea won't be playing. That would be a disaster.

Hello! Today is March 12th, 2016. We have seven more episodes of Pokemon to review, or Mythology to bring you more information on the two game series. But first, a little bit about our Team on GodsWar but first, some reasons.

We PvP. We PvP heavily. We have no problem killing human players. I mean it.

Why PvP in GodsWar? 1. We love PvP in GodsWar. It is fun and we can show that when PvP is being used in GodsWar right now.

2. PvP in GodsWar is light in comparison to most other PvP games out there. It is easy to pick up, the PvP skills are encouraged so we might even be developing some of our good skills as PvPer's.

3. Since GodsWar doesn't have any ninja's, we don't need to worry about what to cast safely against our opponents. With no ninja's, it makes PvP in GodsWar pretty safe. We have to deal with each other. There's no hiding or roleplay in GodsWar.

But still there was a problem, a problem that we though was
