master John Carpenter's

“trailer” for the classic slasher film “Halloween” from 1978. That is what composer and multi-instrumentalist Vin Garbutt is doing. Following up on the tracks he did for the trailer for 1992’s “Halloween II,” Garbutt has re-recorded the theme for this year’s “Halloween.” Over the last few months, we have seen a number of companies building efficient and simple to use

messaging apps with names such as Square, Tap21, and nearly 20 others. The title of the winner in this race has been announced today as Telegram. Unlike the previous two apps, Telegram promises to give a robust community feel, and to you, that means its going to have voices. Not exactly voices and whispers, but full-fledged arguments. There has to be a User-friendly interface: With the
