"we have records of the cds he bought, the merchandise he bought, his social security checks," alvarez told the newspaper. "there's no doubt he was an oakland resident." a staff member at the office that handles unclaimed property in alameda county, where oakland is located, told the newspaper that there is a p.o. box in the deceased rapper's name. an unclaimed property search website lists a new jersey address for the notorious b. as his last known address, and an old family website lists his birthplace as brooklyn, according to the newspaper.'s attorney, christopher j. stern, could not be reached for comment by nbc news. a string of lawsuits has been filed by wallace's estate and by the notorious b.'s mother, voletta wallace, against various companies that had used the rapper's music in their advertising, according to the new york post.semiconductor devices are used in a variety of electronic applications, such as personal computers, cell phones, digital cameras, and other electronic equipment, as examples. semiconductor devices are typically fabricated by sequentially depositing insulating or dielectric layers, conductive layers, and semiconductor layers of material over a semiconductor substrate, and patterning the various material layers using lithography to form circuit components and elements thereon. a transistor is an element that is utilized extensively in semiconductor devices. 5ec8ef588b
