About Bounce Tales Let's play bounce tales 2d video Our bounce tales games are free of charge and also licensed through Nokia, Samsung, Motorola, LG, Sony Ericsson and Blackberry - so we have a lot of games to choose from. All our games are free of charge. We pride ourselves on keeping the games easy to find, so all you need is a simple search. Let's start exploring! Bounce Tales is a very simple game in which you have to roll a ball by moving your finger up and down. In Bounce Tales, this ball bounces from platform to platform to help you reach the goal, like in other mobile games. But beware of hitting anything except the platforms, because if you do, you lose a life. If you die, you start at the beginning of a level, so you can't die just once. And the first level you play contains 10 platforms. Bounce Tales 128x160 is a remake of a famous game, named Bounce. You can play Bounce Tales on Nokia C2-00, Nokia C3-01, Nokia C3-02 and C3-03, as well as on Samsung GT-E2232 and GT-E2250. The game may display a mobile link to download Flash Player or HTML5 Player. If you like Bounce Tales, you will love this remake of the original Bounce game. Bounce Tales has a nearly identical interface and gameplay to its source-game Bounce. But you can now find new and

old levels, new and old characters, new and old animations, and new and old features. Bounce Tales has been optimised for mobile phone screens, so you will get a game that is of an excellent quality. Also known as: Bounce Tales, Bounce Tales 2, Bounce Tales 2D, Bounce Tales Dream, Bounce Tales Junior, Bounce Tales 2 Dream, Bounce Tales II In Bounce Tales you start at the beginning of the game on your first life. The ball bounces all over the place and has to be rolled to reach the
